4. Neighbourhood Street Survey

Research Findings

October 2019

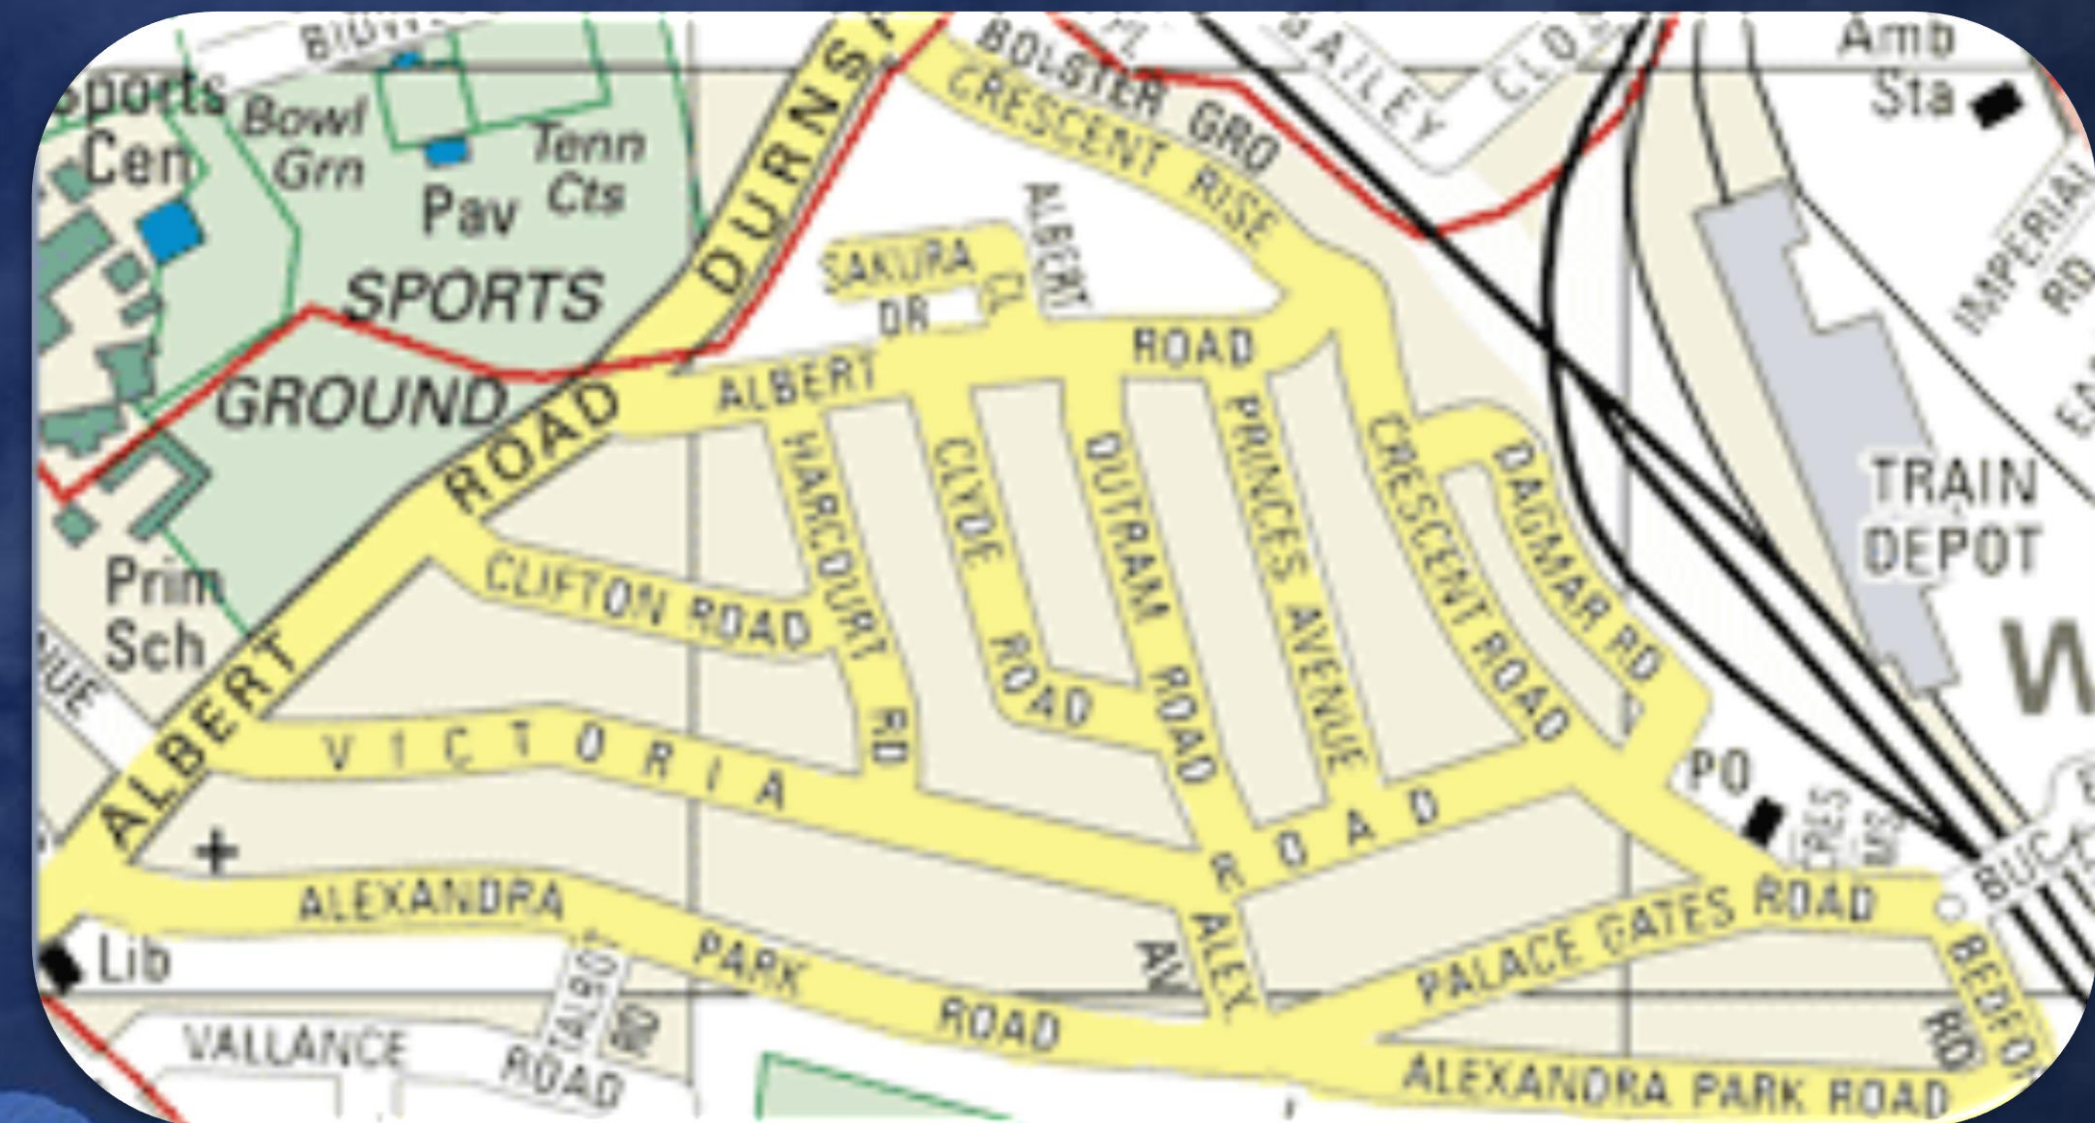

- Explore attitude and opinions amongst the wider community
- Assess the extent to which residents' want to be engaged and involved
- Provide a credible platform to take to Haringey Council to achieve traction and recognition of local issues

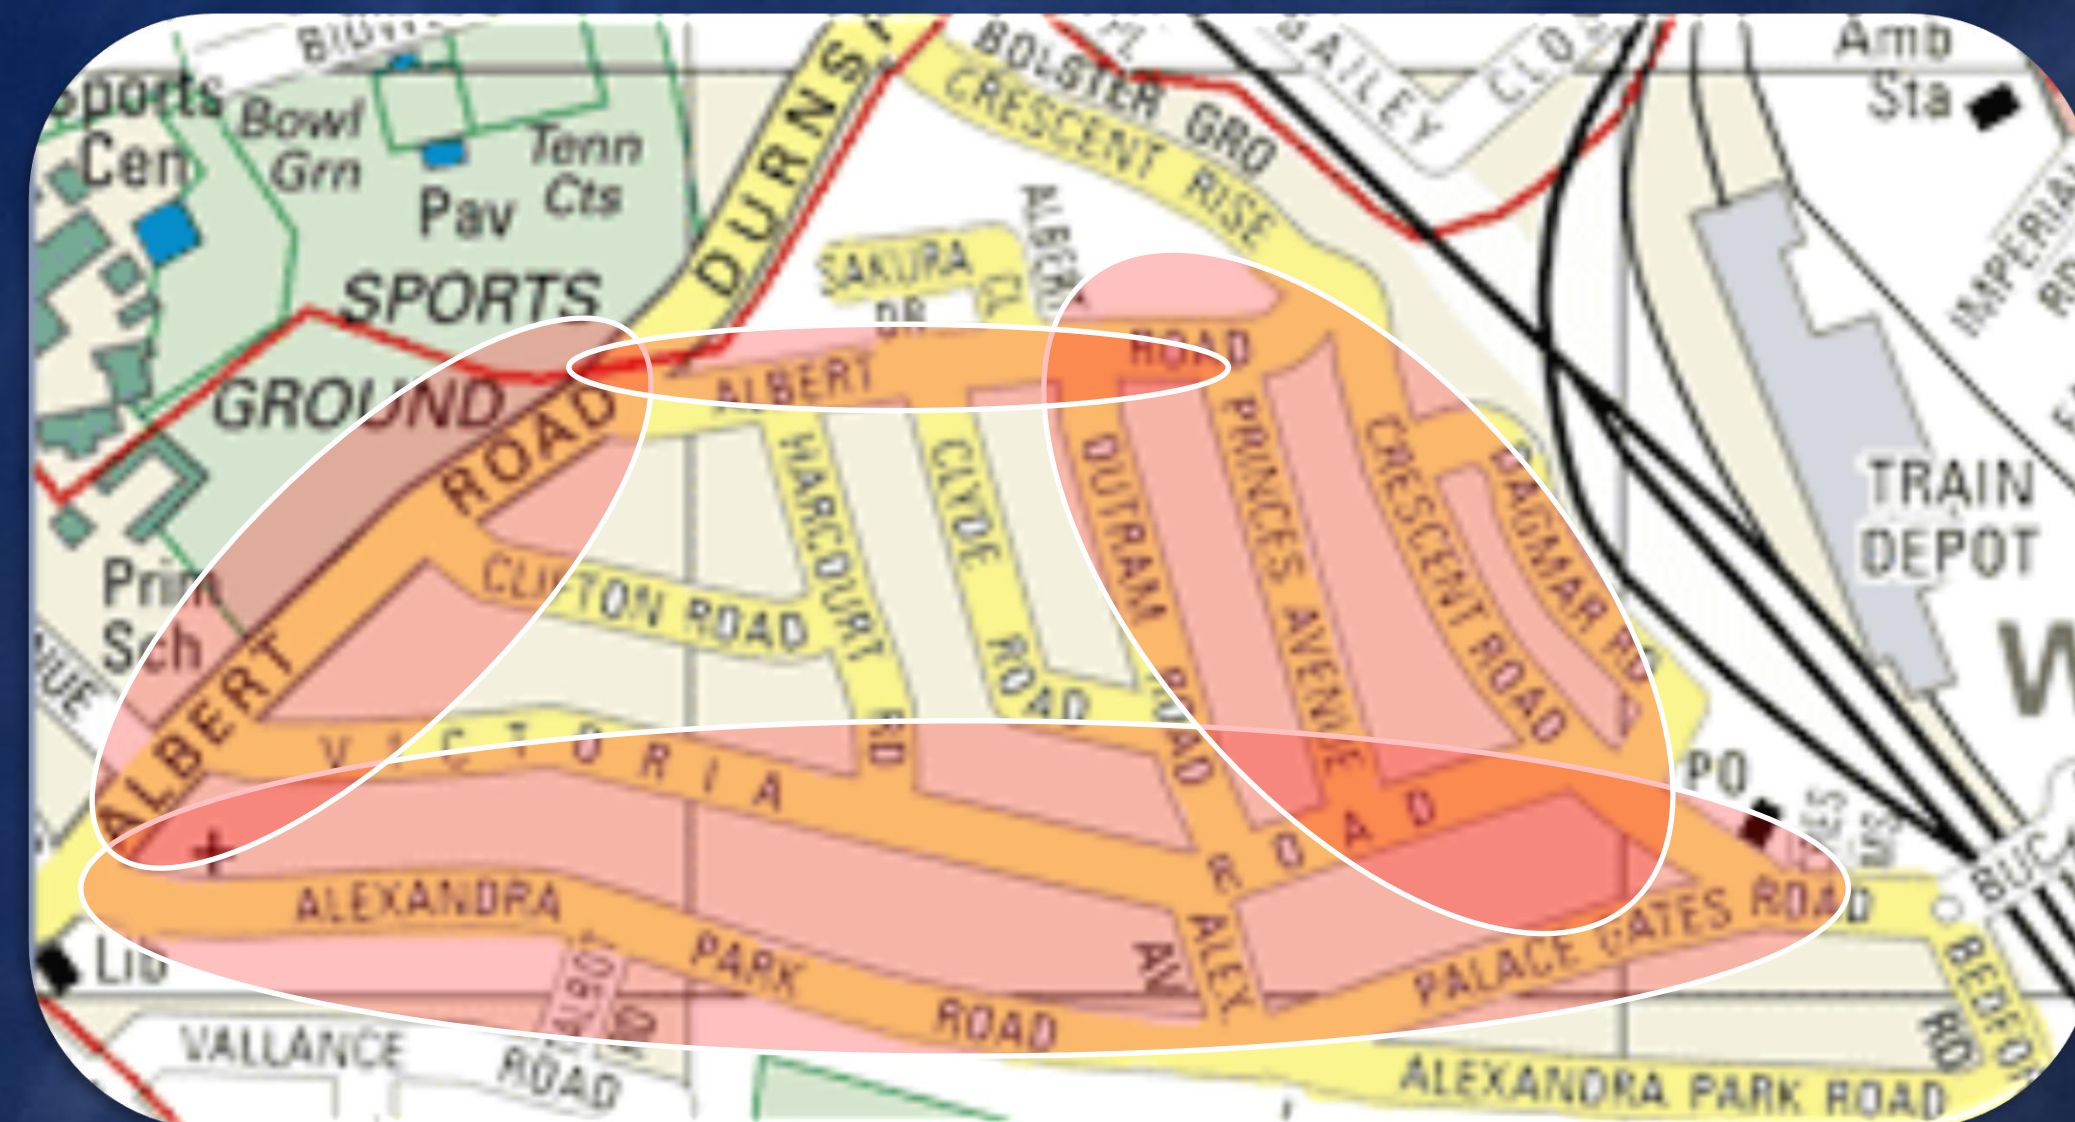

- Short questionnaire administered online (and paper)
- Every household within our neighbourhood invited to respond
- Total of 179 responses

Total Sample of 179 responses

Alexandra Park Road	32

How much agree with current traffic calming measures in area

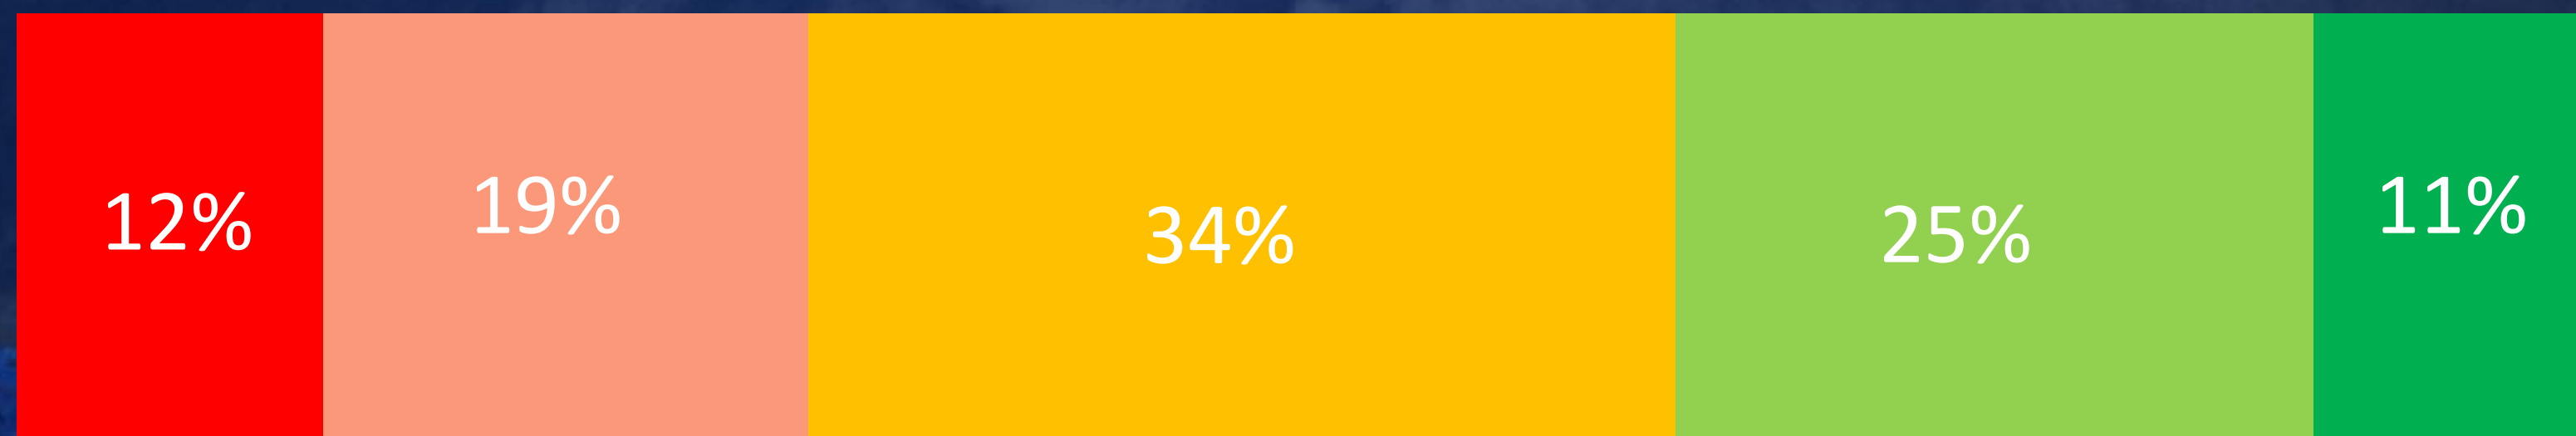

Mean Score

How much do you agree or disagree that the 20mph speed limit has reduced traffic speed in your road

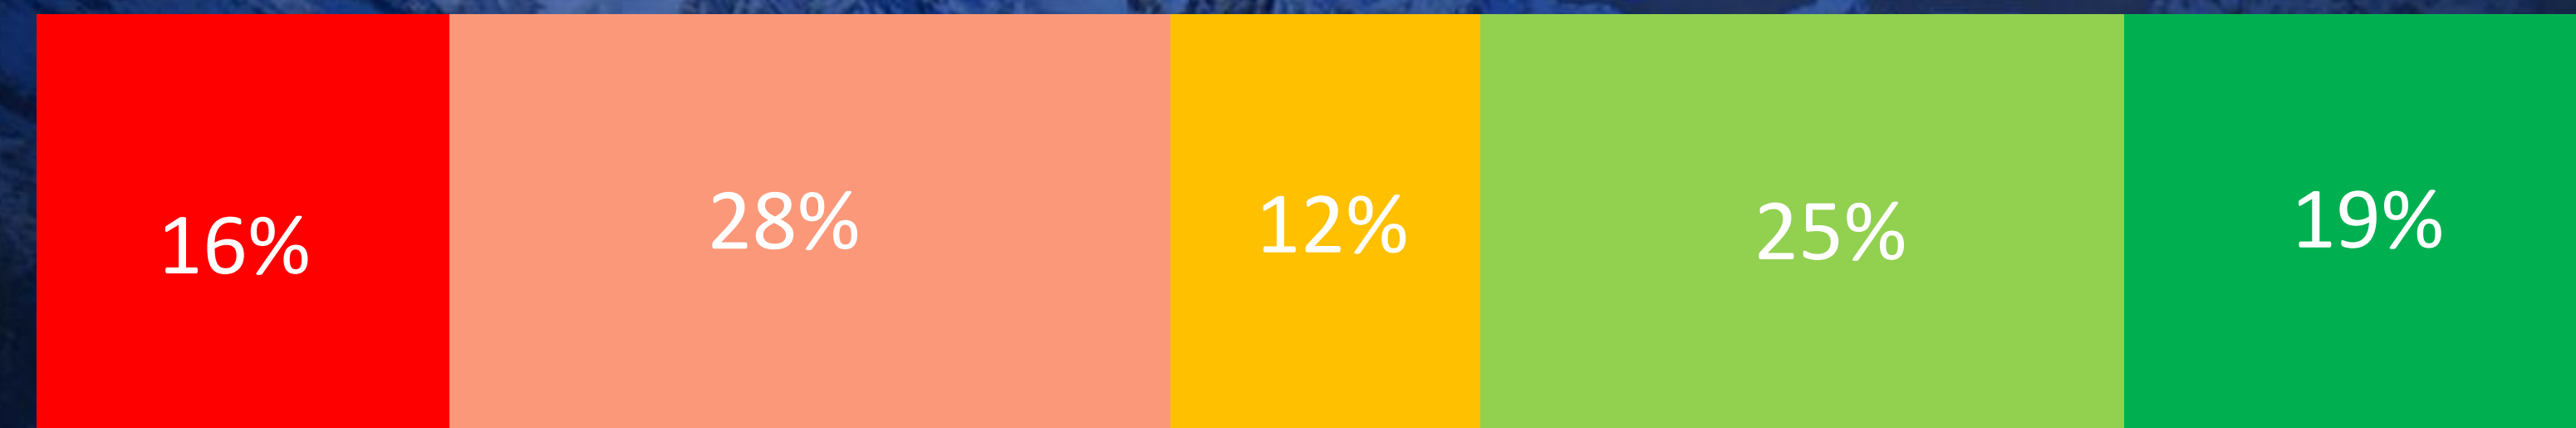

2.5

How much do you agree or disagree that the ban on Heavy Goods Vehicles (HGV's) has reduced the number of HGV's in your road

3.0

How much do you agree or disagree that speed humps are a good traffic calming measure for reducing speed in the general neighbourhood

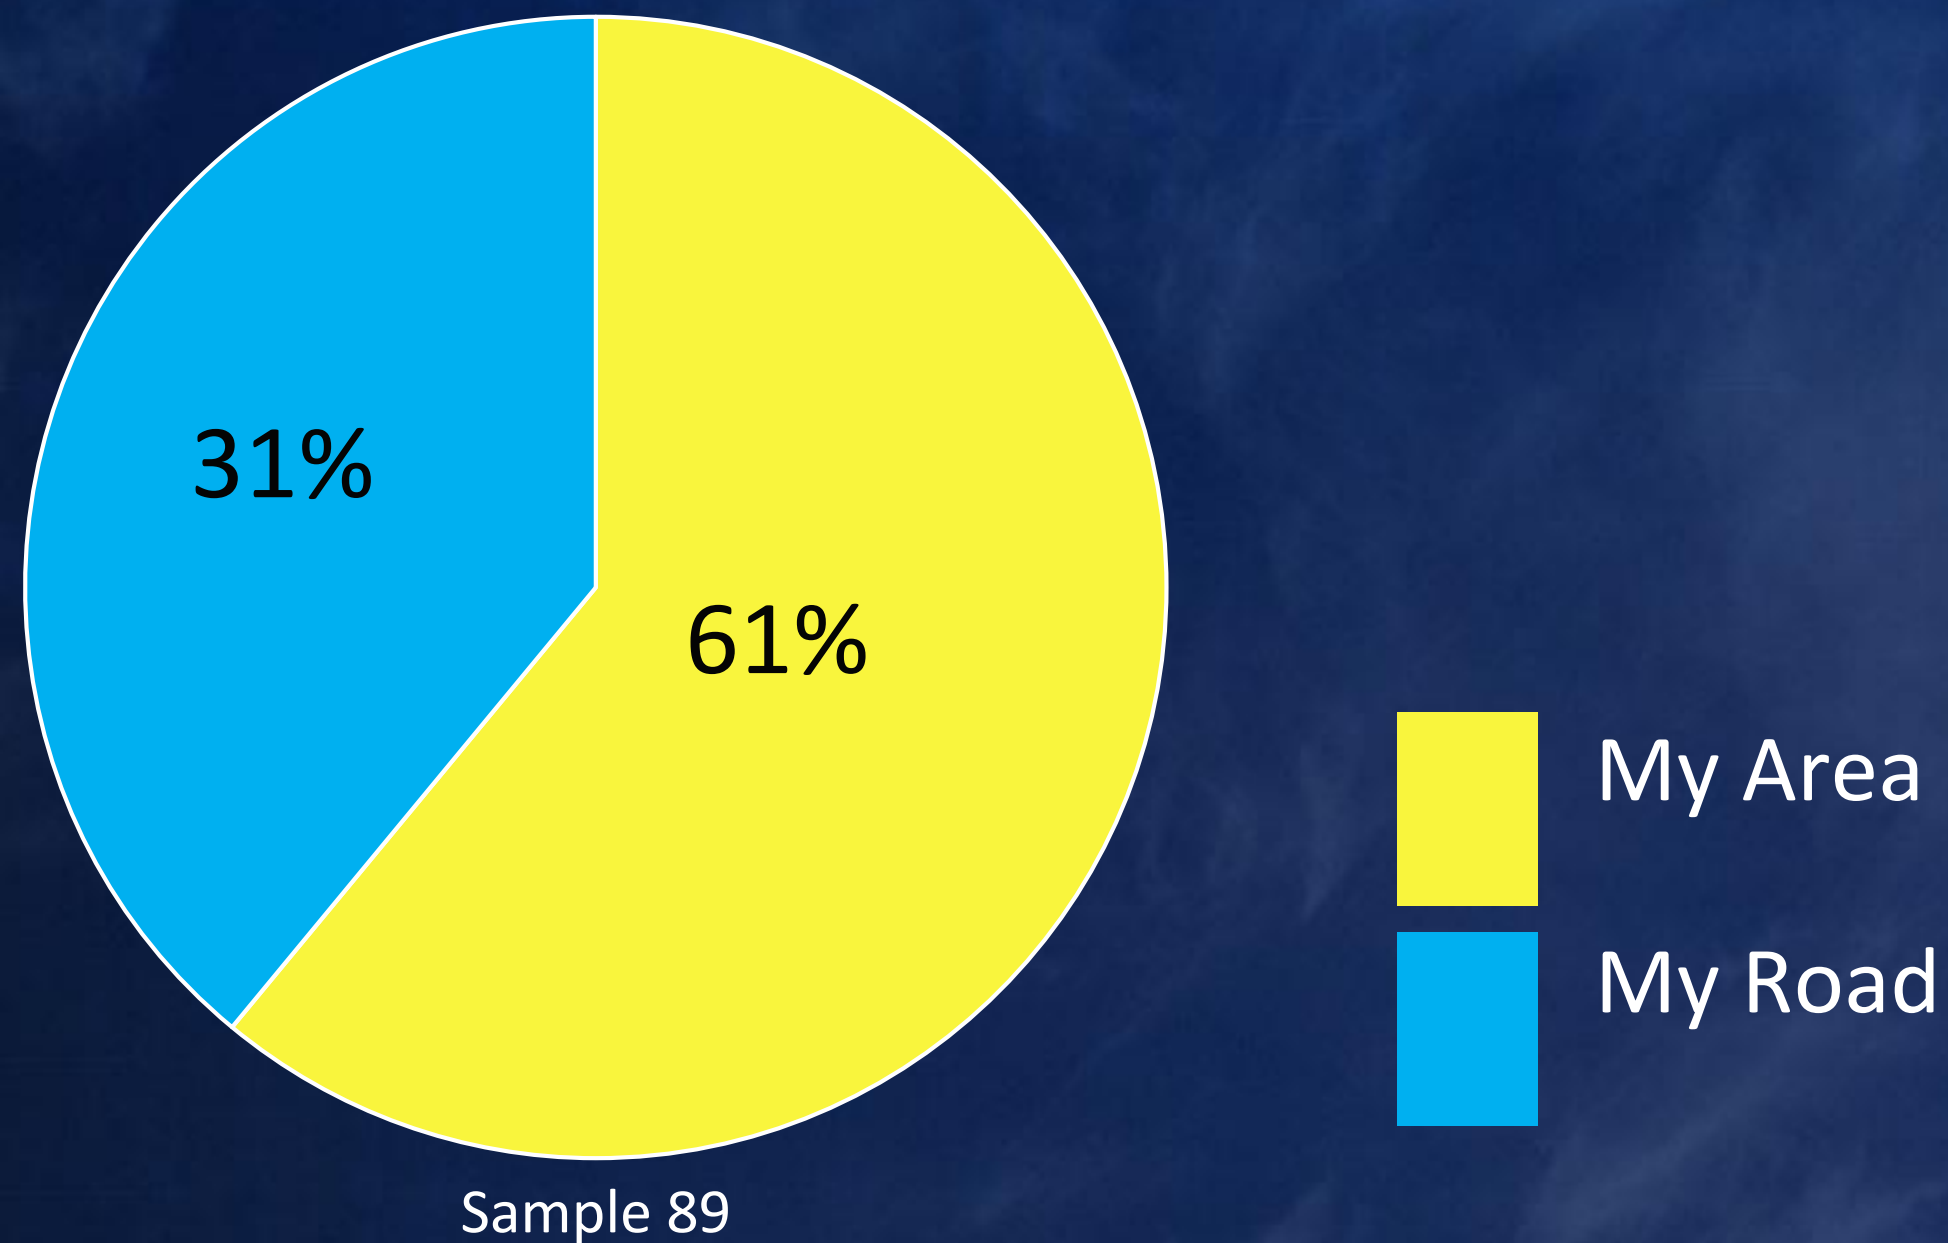

3.0

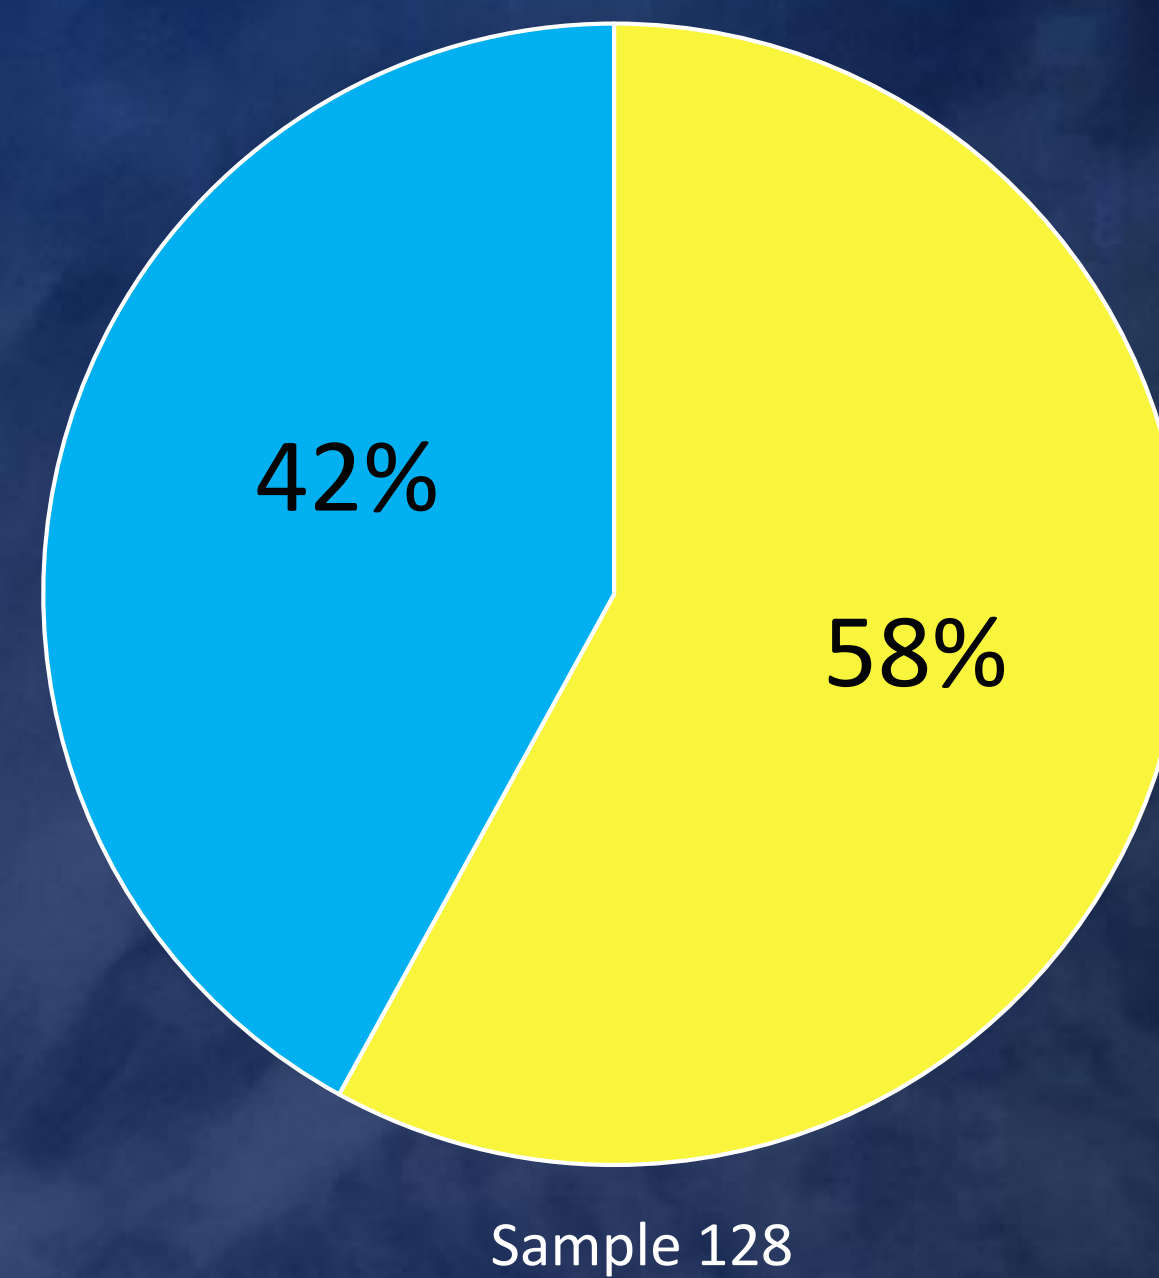

Which of these future traffic calming measures would you like to see considered in your area or your road

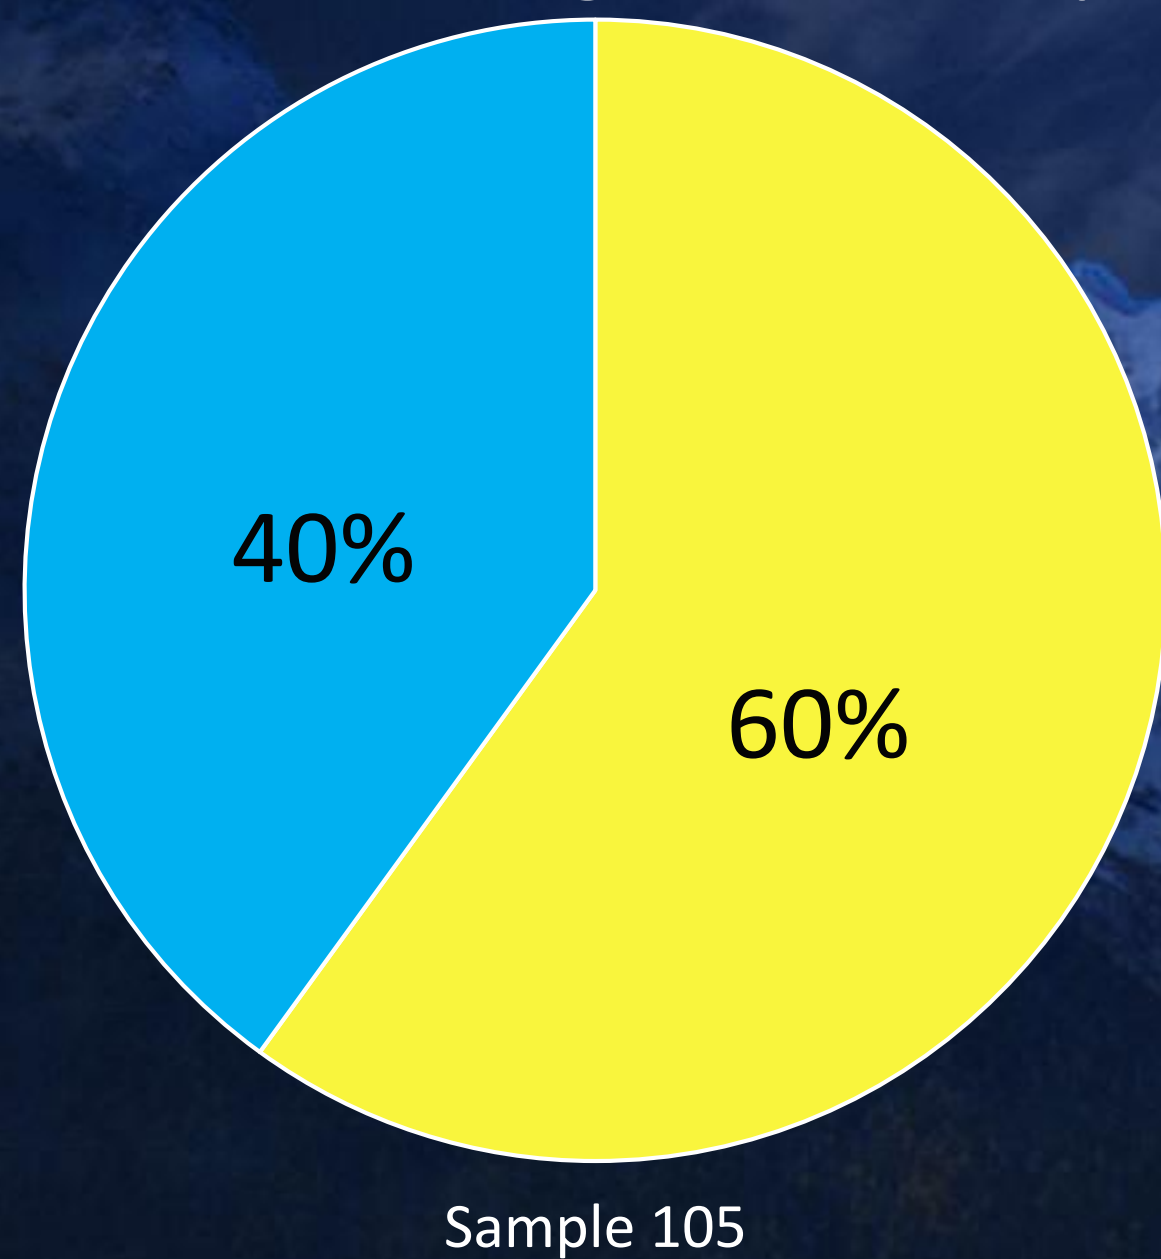

Road Narrowing to slow down traffic

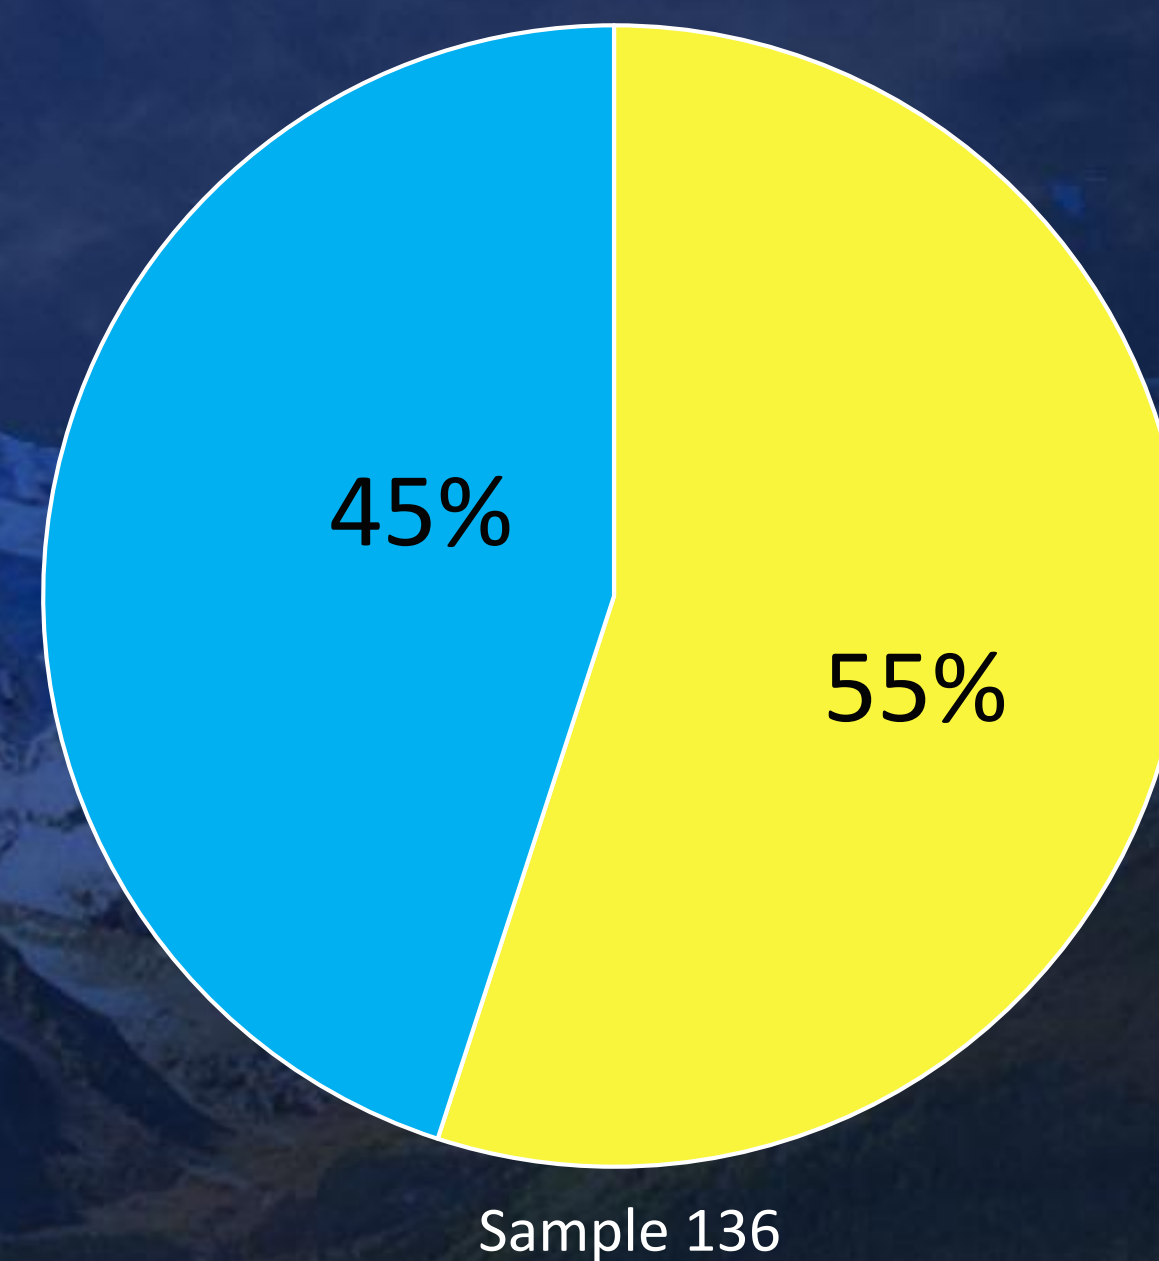

Tree build outs to slow down traffic

Closure of road to through traffic (to prevent rat running)

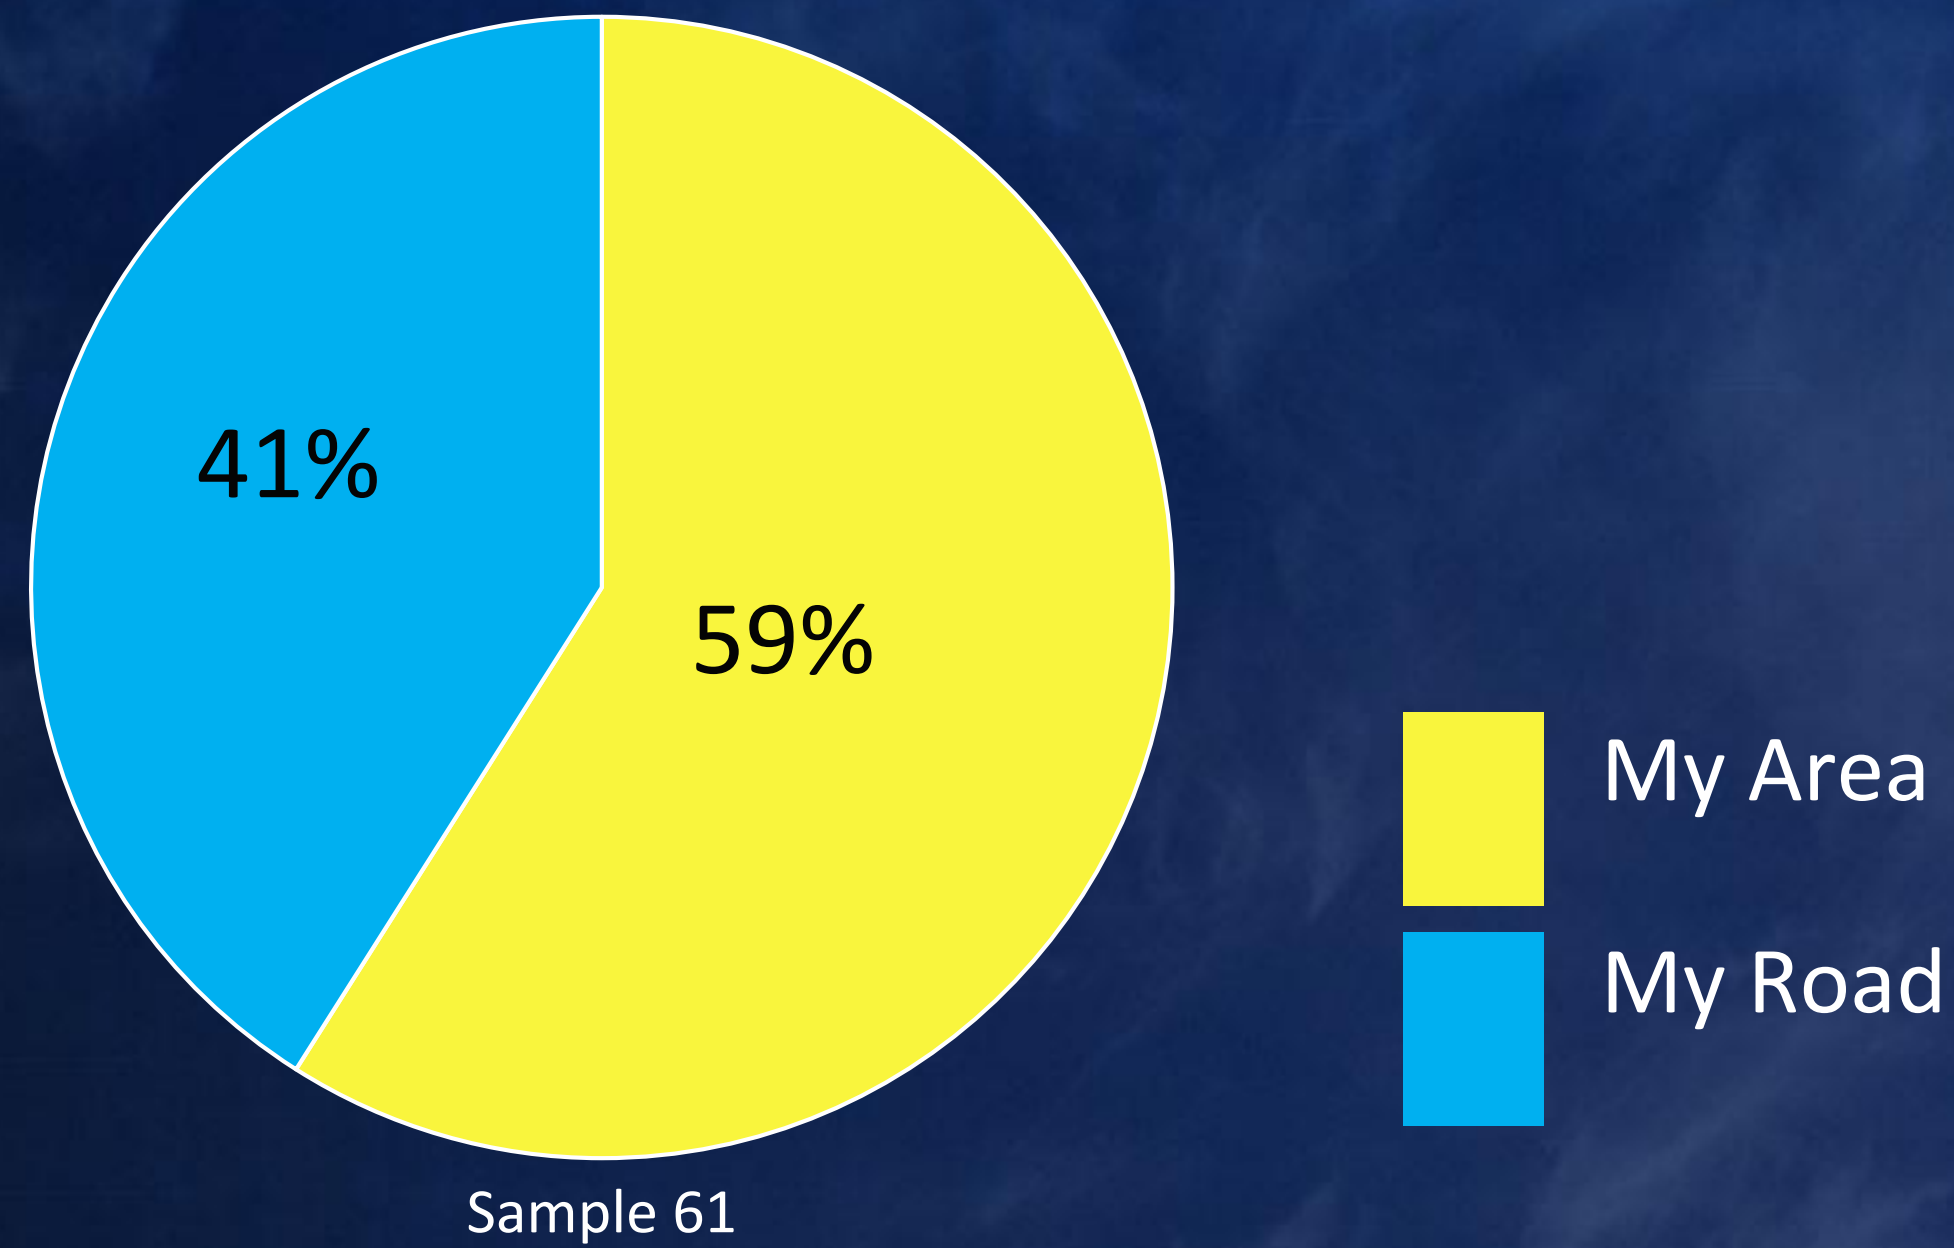

One way traffic to ease traffic flow

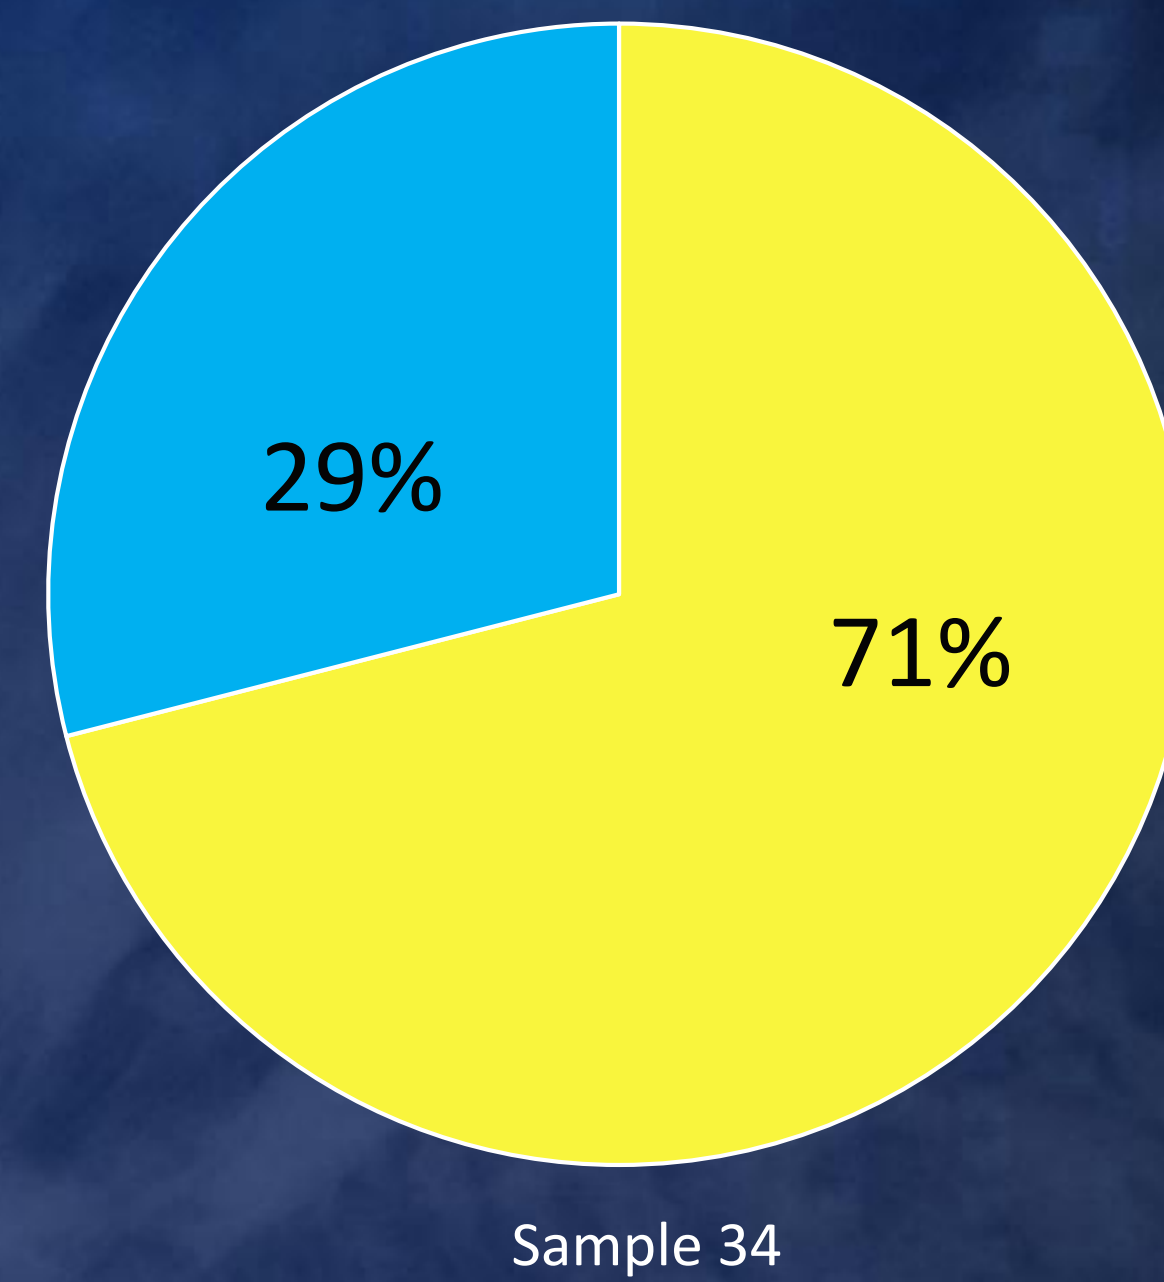

Which of these future traffic calming measures would you like to see considered in your area or your road

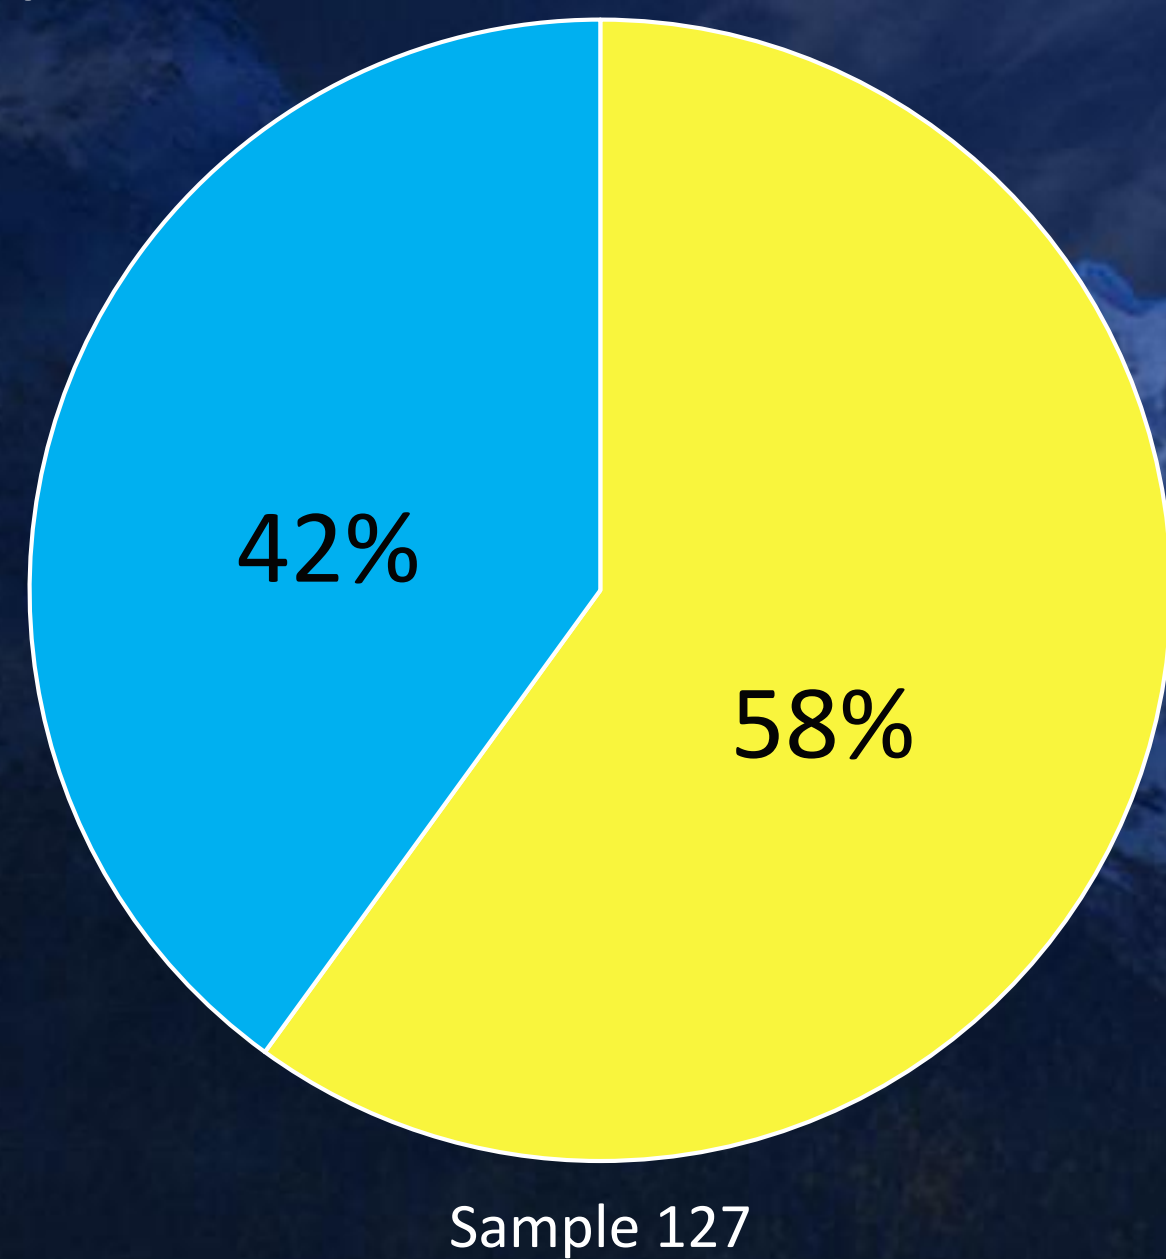

No left / right turn in order to change traffic flow

Pavement parking to ease traffic flow

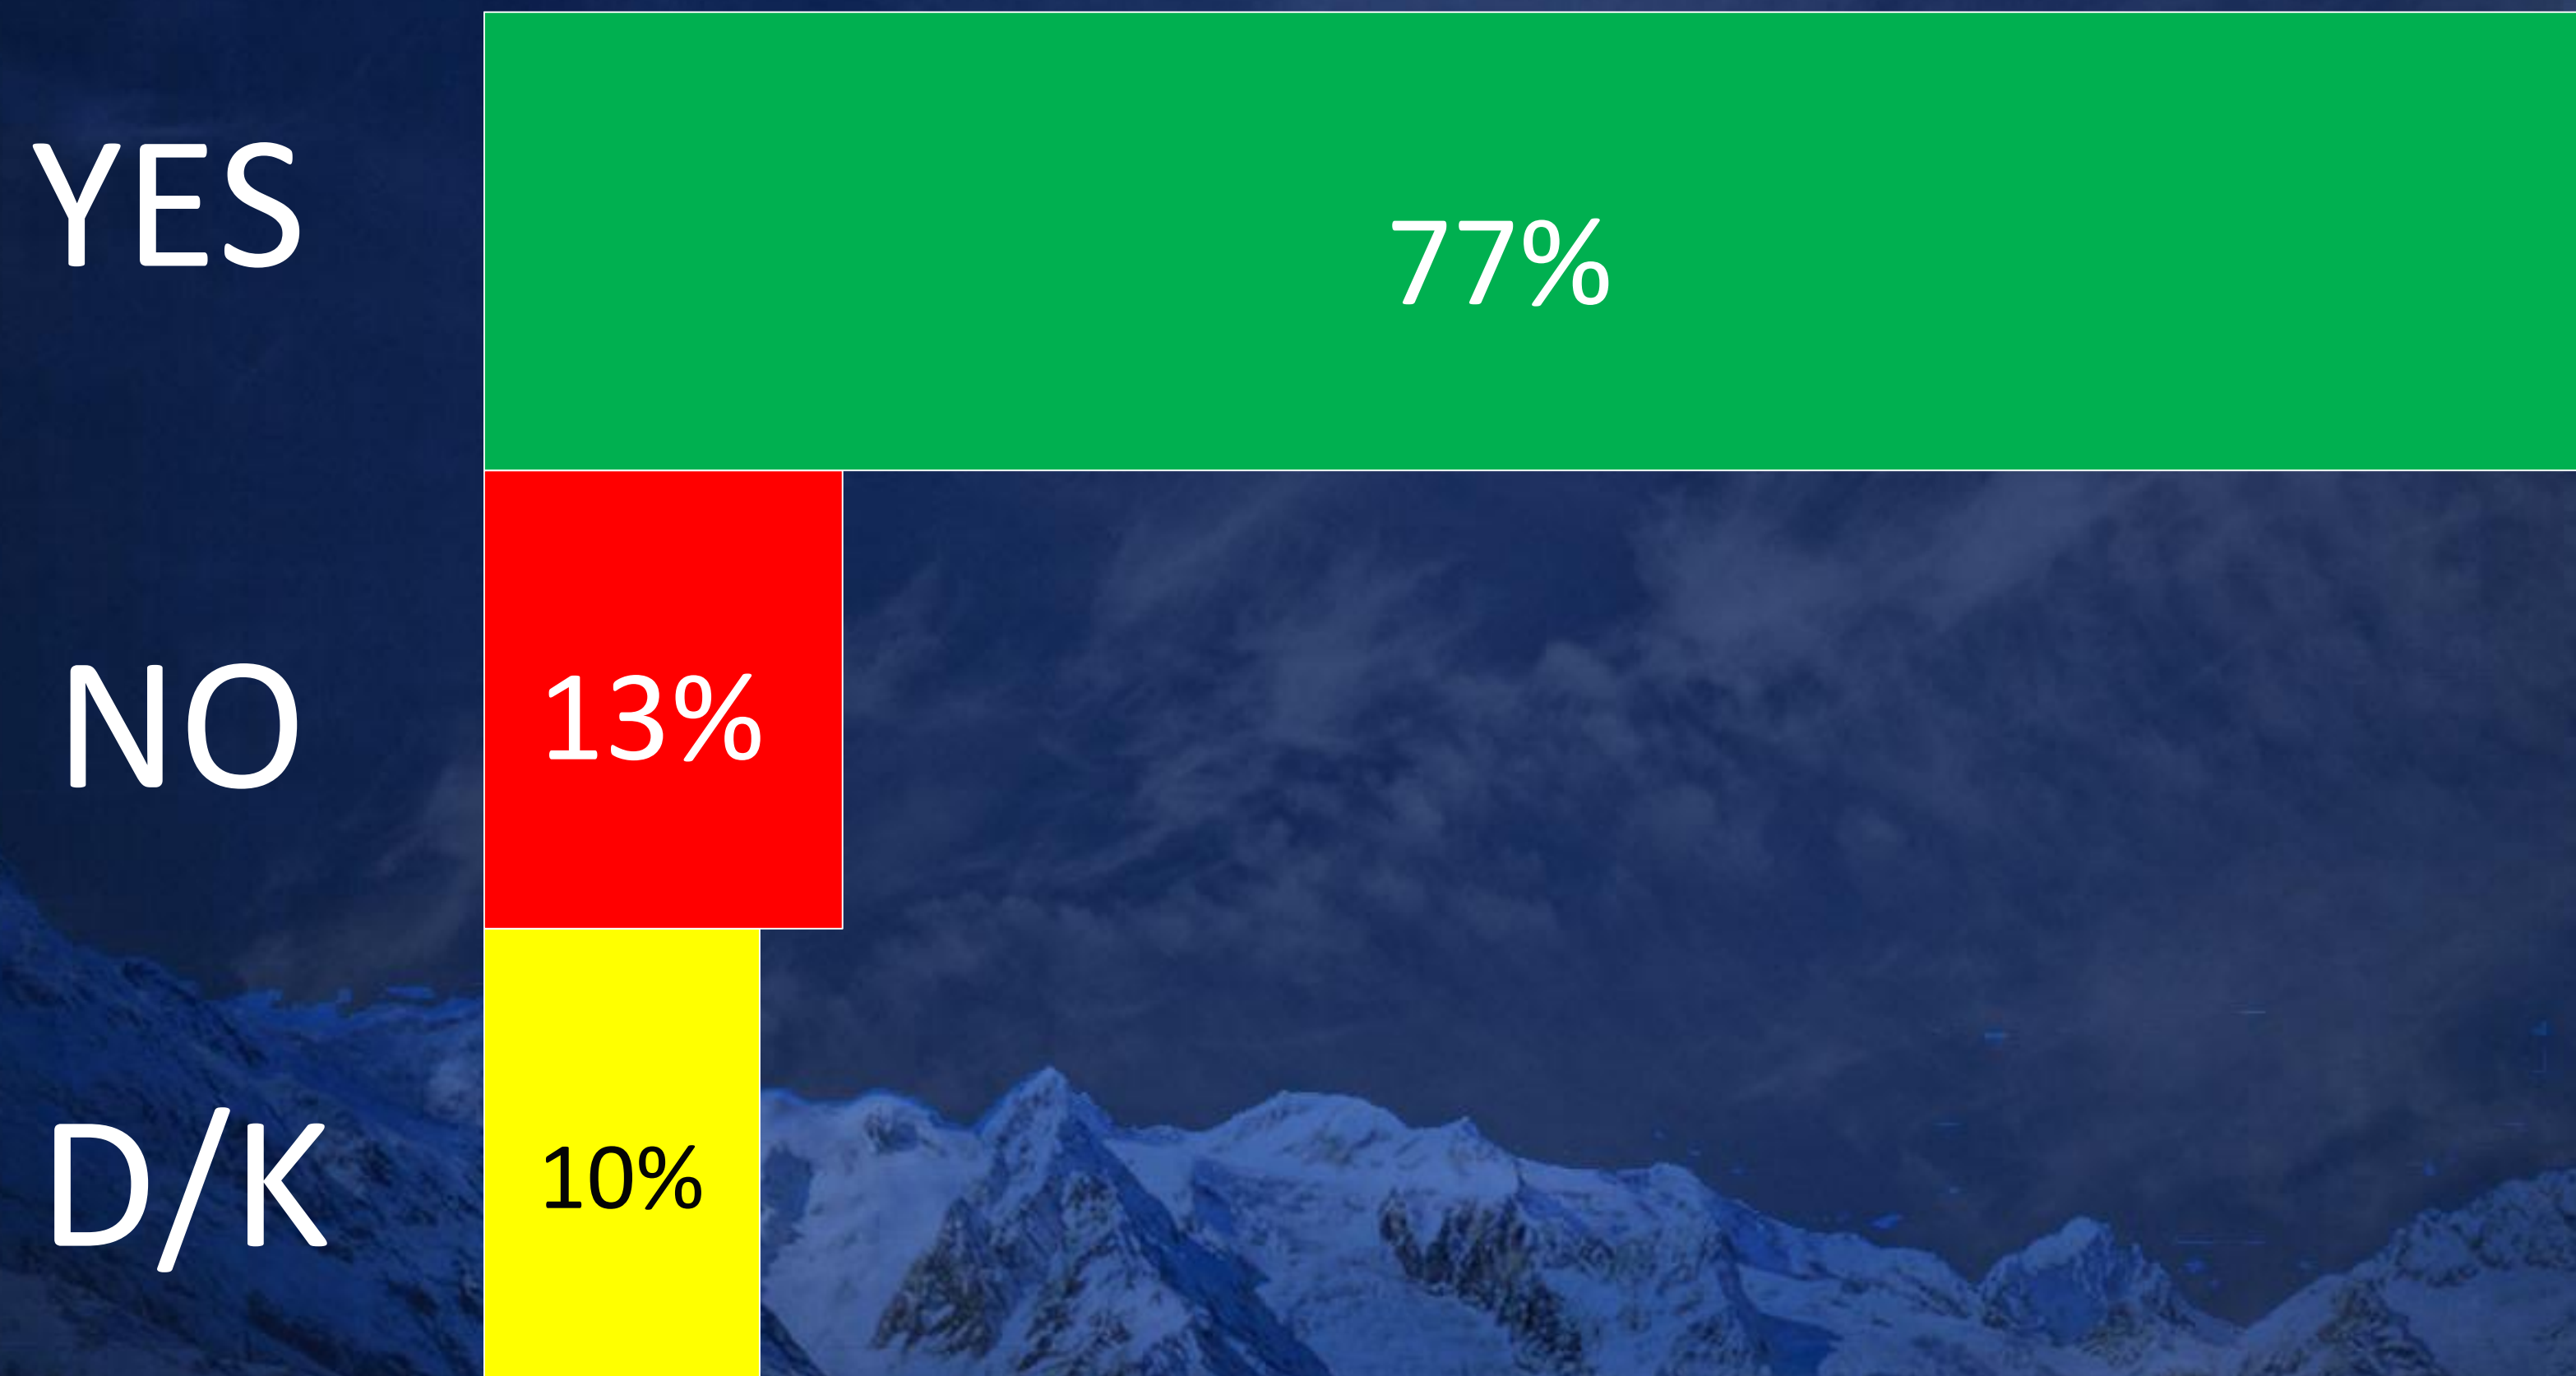

Large planters to narrow road and help to slow traffic

Good idea to close my road one day a year for a street party

Are you interested in working with us to develop a better neighbourhood for our area
